

Hello UST Professionals,

I am pleased to announce the upcoming **IA UST Installer Training Course** that is scheduled for **February 19-20, 2013**. This course is accredited by the Iowa DNR UST Section and endorsed by the Iowa Petroleum Equipment Contractors Association (IPECA). Presenters will include representatives from Iowa DNR, IPECA, and Rounds & Associates. This 2-day course is designed to fulfill the DNR educational requirements for licensed UST professionals in Iowa, pursuant to 567 IAC Chapter 134. All non-licensed installers and/or installation inspectors will need this course to become licensed UST Professionals and to become eligible for Compliance Inspector licensing. Please note that this course is not designed to be used as continuing education units (CEU) required for renewal of your UST professional license. **Please visit our website for more information and to register for this course.**

This year we will also be providing the **IA Compliance Inspector Course** on **February 21-22, 2013** for anyone that needs this specific training. This course is accredited by the Iowa DNR UST Section. Presenters will include representatives from Iowa DNR and Rounds & Associates. This 2-day course is designed to fulfill the DNR educational requirements for licensed UST Compliance Inspectors in Iowa, pursuant to 567 IAC Chapter 134, Part B. To be eligible for this course registration, you must be licensed in Iowa as either an UST petroleum equipment installer or inspector, or have passed an accredited UST installer instructional course and exam. The DNR assigned UST Professional ID number will be requested as part of this application. Exceptions can be made for those who are attending the Installer Course on February 19-20. **Please visit our website for more information and to register for this course.**
